Dawn Davis
Assistant Director

Happy February to our Friendship Families!

Following yesterday's snow day, I am rushing to write our newsletter message for the week. I hope you enjoyed the midweek break with your child. I liked getting our phone call the evening before, instead of waiting for the wee hours of the morning, but was equally glad that the storm was not as severe as expected. If you are not getting the automated phone call announcing school cancellations, be sure to contact the office to check on your phone numbers that we have in your file.

Last week's Movie Night was well attended and families appeared to have a good time. I would like to say thank you to the Friendship Family Organization (FFO) for organizing the event. The impromptu dance feast during the closing credits was exceptionally entertaining. Keep a look out for other upcoming FFO events, such as the Winter Carnival. Their monthly meeting was held on Thursday, February 11, to plan for these future events.

While the weather outside is still feeling like the middle of winter, our ladies in the office are focused on the upcoming August. Our recruiting period for next year's new students is quickly coming to a close. We have been hosting weekly tours and information sessions since the beginning of December and have received many lottery applications to fill vacancies in Pre K and Kindergarten. Please remember that all siblings must go through the lottery process as well. All applications must be received by our office by the last day of school in February (2/26/2010). Our lottery will be held shortly after that and letters will be sent out to parents later in March.

Remember that school will be closed next week for our winter vacation. I hope you enjoy the break with your child and we will see everyone back, rested and healthy, on February 22. Remember the days are getting longer and spring is just around the corner...as the groundhog and weather forecasters promise.

Dawn Davis

IMPORTANT MESSAGE FROM THE NURSE:

Please be reminded that The Friendship School is a nut-free building. Due to the volume and severity of student nut allergies, and their young ages, keeping nuts out of the building and our menus is an additional defense against a life threatening situation. Please do not send your child to school with nuts, peanut butter sandwiches, peanut butter & crackers, peanut butter granola bars, etc.

Parents,
Please remember to dress your child according to the weather. If the temperature is less than 32° including the wind chill, the children won't go out for recess but they might go out with their teacher for a short time, to get some fresh air. **Appropriate clothing includes, gloves/mittens, coats, closed shoes, hats.** It's a good idea to dress your child in layers.

Also, the Friendship School Student Directory is now complete. Copies are now available in the office.

Dates to remember:
02/15/10-2/19/10- Winter Break
02/27/10- Winter Carnival from 10am-1pm at the Friendship School
