Dear Parents,

It hardly seems possible that our last day of school is coming so soon but June 22nd is just around the corner! We have enjoyed spending this academic year with your children and you and wish you a most pleasant summer. For those of you whose children are moving on to new schools we want you to know that they will always be a part of the Friendship School family as we are of theirs and that we will remember them with fondness. We'll also be tracking their successes and watching them with interest in hopes that their names appear on school honor rolls and on the school news pages for their talents and skills. Please visit to keep us updated on their progress.

For those of you whose children are coming back next year, we want you to know that we look forward to their return. Right now we are making class lists and planning for the fall, if you can imagine that! You will receive several mailings this summer so it is very important to keep us posted of changes in your address so that you do receive the mailings. They will tell you about dates for August parent-teacher conferences on Parent Visitation Day and paperwork requirements as they happen during the summer.

So, enjoy the summer with your children! We will be here every day if you want to stop by to say, "Hello". In the meantime, take care, and thank you for sending us your little treasures. We have enjoyed them.

Reminder:

If you have not already turned in your Bus Request Form for next school year (10-11), please submit one as soon as possible. Even if your child rode the bus this year, you still need to fill out a new form for next year. Thank you!
