Happy May Greetings to all of our Friendship School Families!

I love this time of the year, it is such a busy time of the year, and so many exciting activities take place for our children. In addition, many families are looking forward to summertime and all the activities that await them during June, July, and August. One of our own teachers, Danie Shelton, is including one of her summer activities in her plans this spring at The Friendship School. She will be volunteering with Camp Sunshine in Casco, Maine this summer and is asking our TFS Community for support by holding a "penny drive". Please read her letter below and have a wonderful week.

Pennies for Camp Sunshine: *Camp Sunshine is a retreat for children with life-threatening illnesses and their families. It provides counseling, recreation, medical care and helps families struggling with terrible diseases strengthen their family ties and draw support from one another.*

Camp Sunshine and its services are provided to families free of charge. Its entire staff is volunteers. One of TFS' own staff member, Danie Shelton, will be volunteering there this summer.

TFS would like to support the work that Camp Sunshine does by collecting pennies to help sponsor a family. If you would like to contribute, please turn your pennies (and other loose change) to your teacher or drop in the big jar in room C2. You can find more information about Camp Sunshine by visiting the following link: www.campsunshine.org

Thank You,
Danie Shelton

The last day of school will be Tuesday, June 22nd.

Wednesday, June 16th through Tuesday, June 22nd will be early dismissal days with the following dismissal times: 6/16- 12:30pm, 6/17-1:40pm, 6/18- 1:40pm, 6/21- 1:40pm, 6/22- 12:30pm

Thank you to all parents who have sent in their child's new physical. Reminder memos are going home this week for all physicals that expire from now through the summer. Please turn those in as soon as you can after your Dr. Appointment.

All student medication needs to be picked up by an adult, from the nurse's office, when the school year ends. No medications can be sent home with students. Written medication orders expire at the end of the school year, and a new one is needed for the fall. Medication orders, as well as new physicals and immunizations, can be faxed to the nurse directly from your doctor, to fax#860- 437-4448.
