Dear Parents,

Last week I mentioned that this week's newsletter would contain a list of gardening items which would enhance and support our "Project I Grow". We hope you'll think of providing any one of these items for us. Thanks in advance for your generosity.

Have a great weekend,
Kathy

Supply list for I-Grow Project:

Soil	Cart to hold tools
Plant food	Clipboard (for recording observations)
Plant Labels	4-6 Five gallon buckets with lids
Pumpkin Seeds	Spray bottles
Sunflower Seeds	Plastic tweezers
Spray nozzles	Vine ties
Garden Clippers	Flower box for gazebo
Tomato Stakes	Plants, flowers, vegetables

Adult & Child size:

Gardening tools
Watering cans
Gardening gloves
Wheel barrows
Sun hats

Thank you to all parents who have sent in their child's new physical. Reminder memo's are going home this week for all physicals that expire from now through the summer. Please turn those in as soon as you can after your Dr. appointment.

All student medication needs to be picked up by an adult, from the nurse's office, when the school year ends. No medications can be sent home with students. Written medication orders expire at the end of the school year, and a new one is needed for the fall. Medication orders, as well as new physicals and immunizations, can be faxed to the nurse directly from your doctor, to fax# 437-4448.
