Dawn Davis, Assistant Director

Dear Parents,

As we begin the last month of this school year I can't help but think of how fast this year has gone by. Your children are bigger and smarter and so ready for what comes next whether it be pre-k again, kindergarten or a new school for first grade – and, in the meantime, summer!

In reflecting upon our successes this year we can be proud and happy to have achieved accreditation, a goal of the founding members of The Friendship School and a major part of our professional development for the last three years. This was quite an achievement and, although achieved, it will be ongoing as we maintain our areas of excellence and work on items noted for improvement.

You, our parent supports, are prevalent in my reflections of this year. You have helped us all year to do what we do even better by supporting classroom activities, fundraising, visiting, volunteering and sharing ideas with us as we all work together for the benefit of the children. Thank you for that. You are significant members of The Friendship School community and we couldn't ever exist apart from you.

On that note, I will wish you a sunny and pleasant weekend with your children.

Sincerely,

Kathy
