## School News:

Hello Friendship School Families!

We had a Brass Quintet Concert here on Wednesday, brought to us by five University students. The children enjoyed music by 2 trombones, 2 trumpets, and a French horn. We would like to thank Mr. Fiorvanti, the music teacher at Waterford High School, and father of Nina, for his efforts in coordinating this event. The children had a great time.

Field Day for Kindergarten has been postponed and will be on Tuesday, June 16<sup>th</sup> from 10:30-12:30. Lunch for field day will be: Sunbutter and jelly sandwich, fruit, pretzels, fruit push-pop and milk.

We sent home a parent-school partnership survey this week with each child. Please take the time to fill it out and return it to school. We appreciate your feedback.

**Thursday's lunch has changed to: Burgers on a bun, oven baked fries, fruit and milk.**

## The Friendship School Family Organization:

We'd like to take an opportunity to thank all the family members who took time to be part of the FFO this year. Our efforts allow the children of TFS many opportunities that broaden their educational experience. Many thanks to the FFO Board members and family members who took time to attend the meetings or help out at one of the events! Have a great summer!

Our final FFO meeting will be held on Thursday, June 18<sup>th</sup> at 6:30pm. Everyone is welcome to attend and free childcare is provided.

## IMPORTANT LAST DAYS OF SCHOOL

Our last days of school June 19<sup>th</sup>, June 22<sup>nd</sup>, and June 23<sup>rd</sup>, 2009 will be half days. Our dismissal times for those days are: **New London buses- 12:30 p.m. and Waterford buses- 1:40 p.m.**

## Nurses Office

Parents: Please remember to come the last day of school to pick up your child's medicines. Remember that we **can't** send medications with the students. We will discard any medicines that are not picked up by the last day of school.
