Dear Parents,

This is the time of year when The Friendship School recruits new students for next year. You may remember attending a tour on the day you received your child's application to attend TFS. Notices about our recruitment efforts will be going home with every Waterford and New London elementary school student and we've advertised in The Day so that everyone who wants to has a chance in the lottery for 2012. If you have a younger child who will be three before September 1st, this is the time to ask us for an application. You don't have to come for a tour because you already know about the school and all it has to offer. We also will be accepting applications for 4 year-old pre-k students and 5 year-old (by January 1, 2013) kindergarten children. You may have neighbors whose first child will be eligible to attend TFS next year. Let them know to call the school to make an appointment to have a tour and complete an application for the lottery. This year the lottery will be held in the beginning of April and acceptance letters will follow by the end of the month. It's an exciting time for prospective families and a good time for us to share all of the good things that happen at The Friendship School.

Enjoy the weekend with your children.
Kathy

From the Nurses Office:

Pre-K parents: Please turn in record of your child's fall 2011 flu shot to avoid exclusion from school. This shot is newly required by the State Dept. of Ed. starting fall 2011. If your child has not had a flu shot, please make an appointment and inform the school nurse of the date of that appointment, to avoid exclusion.
