Dear Parents,

The following is a message from Meghan Olynciw (mother of a TFS student and a younger sibling) who invites moms and younger siblings of Friendship School students to participate in the MOMS Club at The Friendship School. The first meeting of the MOMS Club will be October 17th at 9:45 am.

Enjoy the long weekend with your children.

Kathy

"The MOMS Club of New London & Waterford is ready & excited to host a "drop-in" style playgroup (making it flexible with no sign up commitment) for Friendship School Families and open to our MOMS Club members as well.

The group will meet Mondays from 9:45am-11am until the close of school in June. I will be the main contact person and "greeter." Families can stop by at their convenience, come some weeks and not others, and stay for as much of the time as they like. We will provide information about our club & activities to interested mothers but at no time will membership in our club be required.

The "MOMS" acronym is Moms Offering Moms Support. We are an international non-profit group and 501(c)3 publicly-supported charity. We not only offer a variety of activities for our members but we support other local organizations by raising money and donating needed items & volunteering our time.

If you would like more information about us our website is www.nlmomsclub.com.

Please feel free to take advantage of our website for school information. You can find our staff list, breakfast and lunch menus, the school calendar, weekly newsletters and other important info and updates. The website can be found at:

Also, please remember to return your form to be added to our email distribution list.

School pictures should be here in about 3-4 weeks. The picture retake day is set for Monday, November 7th beginning at 10am.
